Una collezione per chi sa apprezzare materiali autentici trattati con nuove tecnologie. I legni restaurati, i legni naturali, le ecomalte creano un'atmosfera che circonda e coinvolge emotivamente; i laccati sintetizzano l'essenzialità delle linee esaltando il minimal, senza trascurare la funzionalità.

A collection for those who appreciate authentic matters worked with new technologies. Restored wood, natural wood, eco-mortars create an atmosphere that surrounds, seduces and emotionally involves; lacquered finishes highlight essential lines and emphasize minimalism, not neglecting functionality.
