

A scenic view of Lake Como, Italy, with a range of blue-grey mountains in the background under a sky with soft, white clouds. The water in the foreground is a deep blue with gentle ripples. On the right side, a dark, forested peninsula is visible, with a small cluster of buildings at its base.

Como by Rodolfo Dordoni

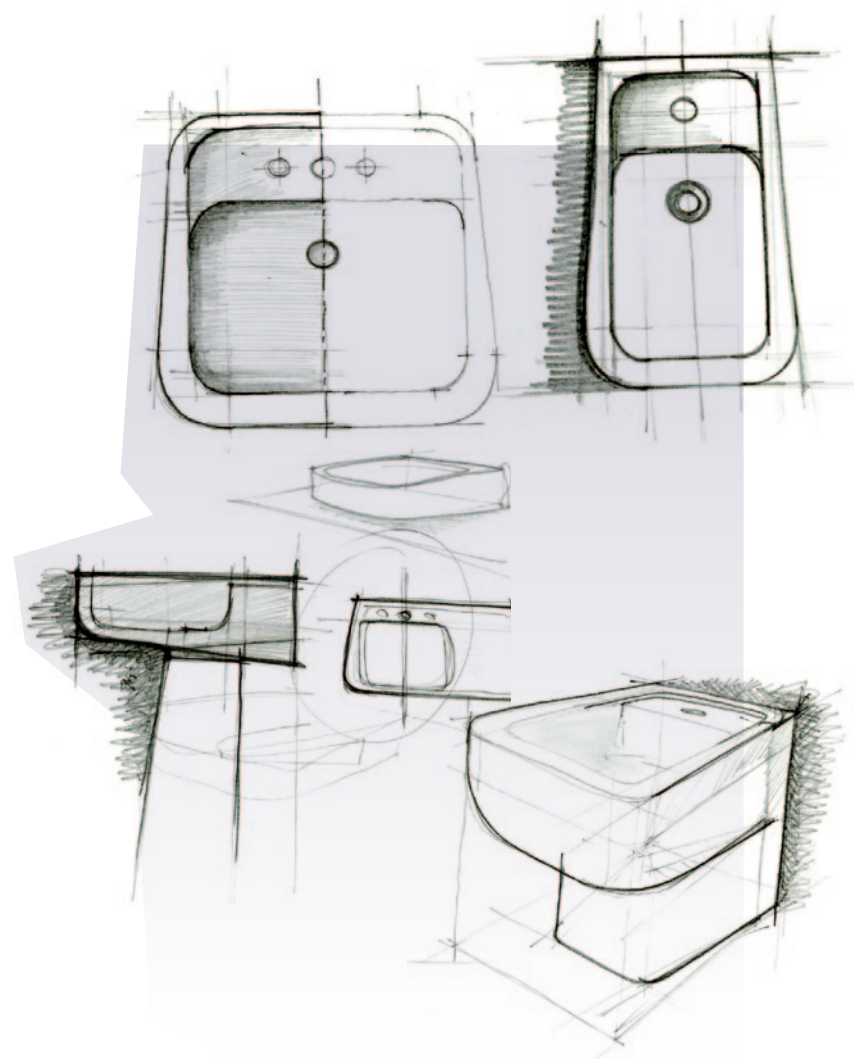

Geometria in ogni singolo dettaglio, pulizia delle forme e compattezza, il tutto per un effetto essenziale e raffinato.

In questa creazione la parte di contenimento dell'acqua ricorda un lago ed il piano d'appoggio un bagnasciuga. I due elementi dunque sono qui perfettamente continui ed integrati, oltre che estremamente funzionali. Sono stati infatti ricavati nella ceramica stessa delle superfici ribassate sulle quale riporre detergenti o oggetti che accompagnano i gesti legati all'igiene quotidiana, evitando così fastidiosi gocciolamenti sul bordo.

Geometry in every single detail and solid clean lines for an essential and refined effect.

The basin of this collection reminds us of a lake and its ledge, of the waterside.

These two elements are perfectly integrated and extremely functional as they meet the necessity of a built in surface for soaps, cosmetics and other objects that accompany our daily routines.

Quattro i lavabi proposti, 2 diverse misure per la versione sospesa o su colonna, cm 62 o cm 72, un lavabo da 54 cm sospeso o da appoggio ed infine di realizzazione più recente, un lavabo da appoggio da 51 cm senza piano rubinetteria.

Four are the proposals, two different sizes for the wall hung and pedestal basins, cm 62 or cm 72, a 54 cm wall hung or bench basin and finally, the most recent, a 51 cm bench basin without a tap ledge.

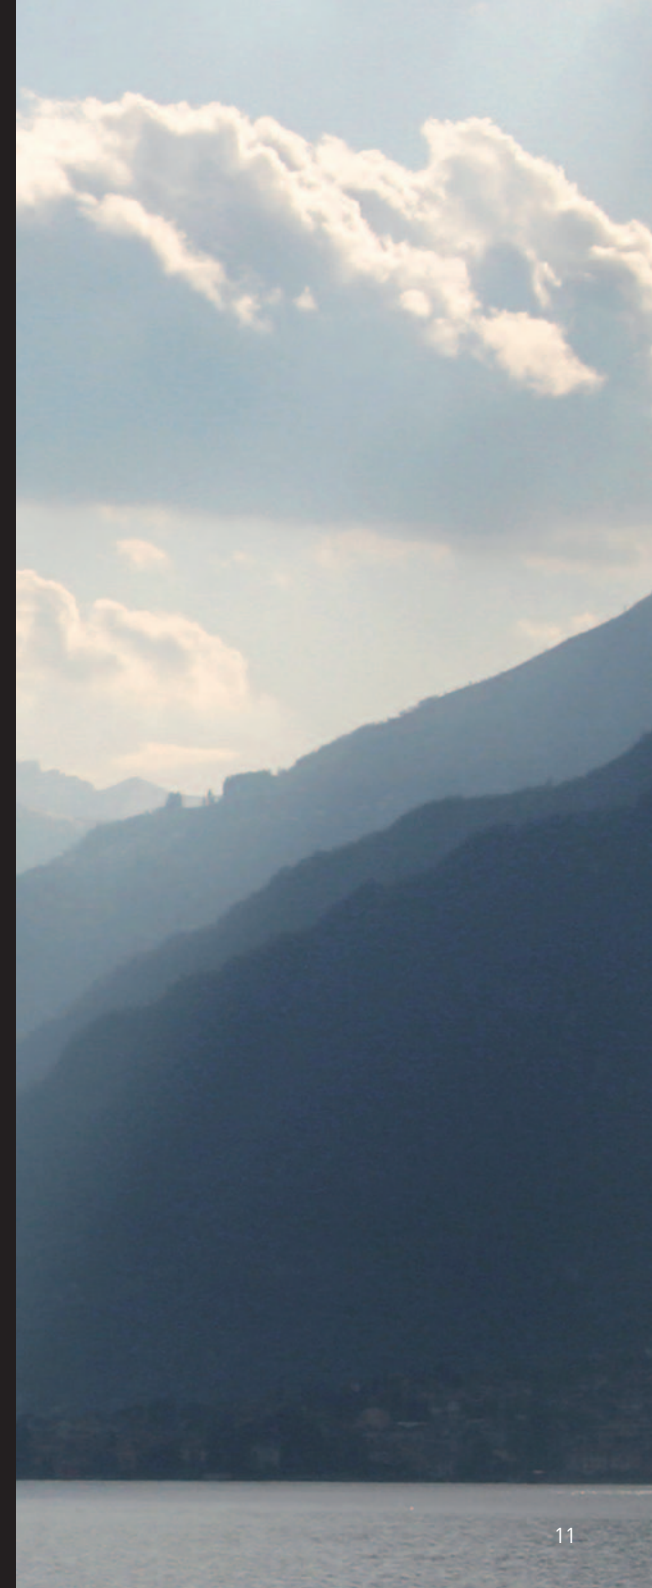

I sanitari sia sospesi che back to wall, accentuano ancor di più i criteri di essenzialità delle linee e dei materiali che sono la cifra stilistica di Rodolfo Dordoni, dando al tutto un effetto visivo di estrema compattezza e di sicuro impatto.

The wall hung elements of the Como collection reply to aesthetic and functional needs and accentuate the criterion of essential lines and material that express the stylistic expertise of Rodolfo Dordoni giving the collection a visual effect of strong impact and extreme solidity.

Como

Colour

La forma geometrica e compatta di questa linea di sanitari in ceramica viene proposta nelle 11 diverse colorazioni Flaminia.

La possibilità di scegliere tra colori lucidi (bianco, nero, ardesia, grigio, rosa, azzurro e champagne) ed opachi (latte, grafite, antracite e grigio lava) è uno stimolo in più per progettisti, arredatori e utilizzatori finali per arredare e personalizzare la propria stanza da bagno.

Il ritorno al rosa, all'azzurro e al grigio chiaro conferiscono alla serie Como un gusto "vintage", tipico degli anni sessanta. I colori opachi invece la rendono piacevole anche al tatto, essendo finiture molto materiche.

This line of ceramic sanitary ware, with its compact and geometric shape, is available in eleven different Flaminia colours.

The possibility of choosing between polished (white, black, ardesia, grey, pink, light blue, and champagne) and matt colours (latte, graphite, anthracite and lava grey) is stimulating to architects, designers and end clients who want to personalize their bathrooms.

The return of pink, light blue and light grey, typical of the 60's, gives the Como series a "vintage" flavour while the matt colours, thanks to their texture, create an effect that is pleasing to the touch as well as to the eye.
